Please contact Mike at [REDACTED] or by phone at [REDACTED] , if you will not be able to call the net you are scheduled for so other arrangements can be made.

2-Meter Repeater report: Tom, NØSS, reported that the repeater is still working. There are still power issues to resolve though. We now have 3 backup batteries.

Digipeater report: Rick, KCØPET, reported that the digipeater is still on the test bench. Rick is assembling it into a new package. It is hoped to be completed by the January meeting so that Rick can give a presentation on how to use the digipeater.

Missouri Emergency Packet Network (MEPN): Tom, NØSS, reported that the network was down for a week or two due to a lightning hit on the 6M dipole. Jim, NØTKN, went to the site recently to check on things after some work had been done and found that everything is functional again. A more extensive grounding system will also be put in.

Emergency Coordinator's report: Rich, NØJBF, reported that preparations are ongoing for the January 27th communications drill at SEMA. There is a conference call scheduled for Thursday, December 16th for the planning committee.

J.D., WAØBER, has asked for 2 or 3 volunteers to work at SEMA for this upcoming exercise to help with paperwork and messaging. Rich, KCØPET, also put in a request with Joe, KBØQHZ, to provide someone to help at the MODOT facility as well. Interested volunteers should contact Rich or Joe via email. Rich can be reached at [REDACTED] and Joe can be reached at [REDACTED] .

VE Liaison's report: Tom, NØSS, reported that there will be a testing session following the meeting with 5 or 6 taking exams. There have been about 7-8 new ham licensees resulting from the recent classes held at the Red Cross.

CW Classes: Tom, NØSS, reported that the advanced class is going well. There will be a special CW class coming up where the students will use either a straight key or bug. This is to prepare for the upcoming Straight Key Night on New Year's Eve. This class meets at Mel's Country Café at 6:45am on Saturday mornings.

Kent, K9ZTV, reported that there were some teenage boys join the beginning CW class recently. By the end of the class, they had mastered their names and a good portion of the alphabet. The intermediate class meets at Mel's after breakfast on Saturday mornings at 9am, while the beginning class meets an hour later at 10am.

Training Committee: Mike, KMØS, reported, that the Red Cross class has been completed. There has been a request to consider having another Technician class this spring. Prior to this, there were plans to possibly have a General class in the spring for those just completing the Technician class at the Red Cross. Depending on how many instructors are available and time constraints, the feasibility of holding both classes will be looked into.

Club Shirts/Jackets/Patches: Bryan, KDØGRU, reported that another order for shirts, jackets, etc. will be tentatively put together sometime in January. Stay tuned for more details.

Mark, KIØY, mentioned that one of the shirts was received with an incorrect callsign due to the call letters being transposed somewhere along the way. Nancie, NMØC, and Steve, KDØGRU, decided to purchase this shirt and send it to the gentleman in Minnesota who holds the call as shown on the shirt.

SEMA Callsign: J.D., WAØBER, reported that SEMA is looking to form a club of four members to be able to use a club callsign for this purpose.

Salvation Army Bell Ringers: Tom, NØSS, reported that after the mixup with emails not getting to Judy about asking for volunteers, the club will not attempt to participate this year.

New business

Officer Elections: No new nominations were received and the following officers were elected:

President: Mike Miller, WAØZOG
Vice-President: Rich Krieser, NØJBF
Secretary-Treasurer: Mark Eberle, KIØY
Board Member: Stephen Hick, KDØGRM

Announcements:

Bill, W4RK, passed around a flyer discussing the Rookie Roundup CW contest which will be held on December 19th from noon to 6pm. To compete, you must be licensed for no more than three years, but others are encouraged to operate as well to work the rookies.

Karl, WB2KBZ, reported that he will be getting his first tower 51 years as a ham and would like some help to get it put up.

Tom, NØSS, reported that Greg, WBØAQV, recently lost his mother. Also Judy, KDØAJF, is doing better after some more cancer treatments. Please keep them in your prayers.

Hamfests: The next big hamfest will be in Collinsville, IL on January 29th. Several people will carpool over and back as usual. More details will follow.

Presentation:

None.

Respectfully submitted: Mark Eberle (KIØY), Secretary-Treasurer.
