Simmons, WAØZOG – Mike Miller, WBØAQV – Greg Abbott, WBØPZR – Andy Adams, WNØX – Rich Beckwith

Previous Meeting Minutes (presented & approved as corrected):

Secretary-Treasurer's Report:

Previous Bank Balance:	$7,398.34
Electric Bill	- $11.45
Phone Bill	- $33.73
Current Bank Balance:	$7353.16

Old business

2-Meter Net Report: Mike, NØZH, reported that there was a total of 101 check-ins for the month of June.

Net Results:

Jun 16	KBØQHZ	12
Jun 23	NMØC	23
Jun 30	KDØAJF	23
Jul 7	KDØGRM	19

Upcoming Net Controllers:

Jul 14	KDØAJF
Jul 21	NMØC
Jul 28	AF6GT
Aug 4	KDØGRM
Aug 11	KDØGRV

Please contact Mike at [REDACTED] or by phone at [REDACTED], if you will not be able to call the net you are scheduled for so other arrangements can be made.

2-Meter Repeater report: Tom, NØSS reported that the repeater is working fine. No complaints have been received.

Digipeater report: No report.

Missouri Emergency Packet Network (MEPN): Jim, NØTKN, reported that there was a trip to Americus to finalize work from the last trip. The next day another trip was made to turn the TNC back on.

A site in Concordia has been identified as the next location to the west for a 6M link that may come online in the fall. The link would connect Centralia to Concordia for a span of 82 miles.

The stock of 6M 100W Delta radios has been depleted so if anyone has any to donate or knows where some could be found, contact Jim.

Emergency Coordinator's report: Joe, KBØQHZ reported nothing new at this time. J.D., WAØBER added that the next exercise is tentatively scheduled for January 27th.

VE Liaison's report: Tom, NØSS, reported that there have been no exams given this month and there are none to give after the meeting. The new Technician exams effective July 1st have been received.

CW Classes: Tom, NØSS, reported that the advanced class is still going well. There weren't as many CW operators at Field Day this year which was a disappointment. This class continues to meet before breakfast at 6:45am every Saturday morning at Mel's Country Café.

Kent, K9ZTV, reported that the advanced and beginning classes have not met for the last couple weeks due to various activities going on. Both classes will continue with the advanced class meeting after breakfast from 9-10am at Mel's and the beginning class meeting at 10am.

Training Committee: No report.

Club Shirts/Jackets/Patches: Mike, WAØZOG, reported that Bryan, KDØGRU, mentioned checking out Missouri Vocational Enterprises (MVE) and has used them with great results. Laura, KDØGRV, will contact Bryan to explore options and Mike will pass along some info for checking into.

Race to the Dome: The 1st Annual Race to the Dome was a very successful event. It went smoothly until the end, but was still fun for all. There were 66 boats entered in the race. Jefferson City Parks & Recreation would like to make this an official 4th of July event.

SEMA Callsign: No change. Still on hold, pending FCC resolution. A more formal committee will be formed to look into options ahead of the FCC outcome.

Field Day: There was a good turnout for this year's Field Day event. There were 35 operators and about 15 to 18 non hams that came by. To recap:

3,272 QSO points
1,390 bonus points
4,663 total

CW: 547 total, with 33 on GOTA and 3 on VHF
Dig: 2 via satellite
SSB: 538 total, with 255 VHF

Due to approaching thunderstorms, operations were shut down about 1-1/2 hours early.

Suggestions for next year:
- Dedicated antenna crew
- Sign pointing to welcome tent
- Have an extra table in the tent for visitors

New business

Rich, WNØX, gave a discussion on foxhunting. The radio club in Columbia holds a foxhunt every Saturday morning and Rich has been trying to get them to bring the hunts to this area. One reason would be to stir up interest amongst people who may not have participated in one before and another reason was to have it in different surroundings. Given that, there will be a foxhunt in the Jefferson City area on Saturday, July 10th at 9:30am. The starting frequency will be the 147.000 repeater and further details will be given.

Mike, NØZH, reported that last month in Callaway County there was an emergency management meeting. Dave Phelps, KCØLYA, who is the president of the Callaway Amateur Radio League (CARL) gave a presentation on amateur radio to a group of people. One of these groups, the American Red Cross in Cole County, approached him to inquire about training classes for technician licenses. Dave asked if someone from the MMARC would like to join him to give a presentation to the Red Cross. Mike has agreed to attend and get more information.

Mike, WAØZOG, reported that Rich, WNØX, was approached by someone from the Boy Scout Council in regards to doing a presentation for the signaling merit badge at an upcoming Merit Badge University to be held on July 31st at Linn State Technical College. Tom suggested giving a presentation, then taking orders for kits (straight key & practice oscillator). Mike suggested two counselors to teach the course. Kent, Bill, and Tom volunteered to serve as counselors.

Bill, W4RK, reminded everyone that the World Radiosport Team Championship event will be held on Saturday and Sunday, July 10-11th. We previously made a donation to support the US team in the amount of $100. Please get on the air and make some contacts.

Announcements:

Washington Hamfest – July 18th

Karl announced that he will be on the air from Turkey again in the coming month as TAØ/WA2KBZ. He will be looking stateside and hopes to work as many of us as he can.

Presentation:

Nancie, NMØC, gave a slideshow presentation on this year's Field Day event.

Respectfully submitted: Mark Eberle (KIØY), Secretary-Treasurer.
