Jefferson City, MO

Meeting of: April 14, 2011

Called to order by: President, Mike Miller - WAØZOG

In attendance: AF6GT – Chuck Lahmeyer; K9ZTV – Kent Trimble; ACØSA – Richard Manning; KAØZIY – Ron Brizendine; KCØLZG – Owen Toalson; KDØBVQ – Hank Taylor; KDØCCP – Dave Bagge; KDØDSJ – Randall Rolle; KDØGRM – Stephen Hick; KDØGRS – Brian Tordoff; KDØMRJ – Bill Anderson; KDØNEE – Fred Gaines; KDØNWS - Steve Engelbrecht; KIØY – Mark Eberle; KMØS – Mike Thayer; NØJBF – Richard Kreiser; NØSS – Tom Hammond; NØTKN – Jim Biggerstaff; NØZH – Mike Dolson; NMØC – Nancie McAnaugh; WAØBER – J.D. Simmons; WAØZOG – Mike Miller; WBØAQV – Greg Abbott; WBØKXP – Gene Wilson; WDØECO – Mitch Odneal; WNØI – Andy Adams; Craig Bushby; Jacob Riley

Previous Meeting Minutes (presented & approved as corrected):

Secretary-Treasurer's Report:

Previous Bank Balance:	$7,980.50
Electric Bill	- $9.72
Phone Bill	- $34.10
Deposits	$194.50
Current Bank Balance:	$8,131.18

Old business

2-Meter Net Report: Mike, NØZH, reported a total of 89 check-ins in March. Mike also presented certificates of appreciation to all those that ran the net at least once in 2010.

Net Results:

Mar 16	KDØGRM	12
Mar 23	NØSS	17
Mar 30	KDØBVQ	19
Apr 6	NMØC	12
Apr 13	AF6GT	23

Upcoming Net Controllers:

Apr 20	KDØGRM
Apr 27	NMØC
May 4	KDØBVQ
May 11	KDØCCP

Please contact Mike at [REDACTED] or by phone at [REDACTED], if you will not be able to call the net you are scheduled for so other arrangements can be made.

2-Meter Repeater report: Tom, NØSS, reported that the repeater is still working ok. A site trip has not yet been made, but the power output needs to be checked. If anyone has a 9600 baud (or higher) external modem that they would be willing to donate, please contact Tom.

Digipeater report: Rich, NØJBF, reported that he, Rick, Joe, and Tom went and checked the 9913 coax and found it to be good. It was tied to the tower to secure the run. The digipeater is up and running at Rick's house for the time being. Remaining work will be to install ground rods and install the digipeater back in the shed. Karl donated some large size ground wire to the cause.

Missouri Emergency Packet Network (MEPN): Jim, NØTKN, reported no changes.

Emergency Coordinator's report: Rich, NØJBF, reported that plans are still moving along on the National Level Exercise in May. Some folks not going to Dayton have offered assistance with being on the air. Tentative plans are to be on the air 3-4 hours on Monday, Tuesday, and Wednesday. The dates are May 16, 17, and 18th.

Kent will be headed to Branson on Monday, operating on Tuesday with the Missouri Funeral Directors Association's disaster mortuary drill in conjunction with the NLE. Amateur radio will be implemented to backup the satellite phones.

VE Liaison's report: Tom, NØSS, reported that there were two exams last month resulting in one upgrade and one new licensee. Nancie, NMØC, will be taking over as the new VE Liaison.

CW Classes: Tom, NØSS, reported that the advanced class is still going although turnout was low last week. Mac's buddy Evan showed up and tried his hand near the end of the last class. This class meets at Mel's Country Café at 6:45am on Saturday mornings.

Kent, K9ZTV, reported that the intermediate class has been having a large turnout and filling their small room to capacity. The intermediate class meets at Mel's after breakfast on Saturday mornings at 9am, while the beginning class meets an hour later at 10am.

Training Committee: Mike, KMØS, reported that the upgrade class for the General license exam is underway and there are a dozen students participating.

Club Shirts/Jackets/Patches: No report.

Red Cross MOU: Rich, NØJBF, reported that Mike Dolson, Andy Adams, and himself met with Mike Stelzleni to discuss this and decided to follow the outline of the MOU included as a sample with the ARRL and the National Red Cross. There are 12 counties covered by the local Red Cross. Andy donated a 5-band vertical antenna and there is still a need for some donated coax. A presentation will follow later at a time to be determined.

Grant Money: Mike, WAØZOG, reported that he had not heard back from the Callaway Amateur Relay League (CARL). We will wait until we hear from them before deciding to how to proceed.

Field Day: Rich, NØJBF, reported that he needs volunteers for station captains for the VHF, GOTA, SSB, and CW stations.

The previous discussion of using a digital station and alternating with it with the GOTA station will not work according to the Field Day rules if we wish to operate in Category 2A. To operate a digital station, either the SSB or CW station will need to shut down else we will be bumped to the 3A category.

The CCERT crew/vehicle status is currently unknown.

Kent, K9ZTV, recommended that we do something to recognize Porite for their support in letting us use their field each year. Ideas should be brought to the next meeting.

As a reminder, to operate at Field Day, your dues need to be paid up.

New business

Kent, K9ZTV, is looking for volunteers to help with the Mayor's Run for Reading. This year's event will be held on April 23 and will last until approximately 10AM. Six volunteers are needed to participate from 7:45AM until the event is over providing communication support.

Announcements:

Rick, KCØPET, has set up a net on Tuesday nights on 3.594 MHz using digital modes.

Nancie, NMØC, mentioned that the Race to the Dome event will be held again this year on Saturday, July 2nd. There will be both 25-mile and 15-mile races this year. New locations will be scouted out for this year's event. More info to follow.

Kent, K9ZTV, announced that the anniversary of the Titanic sinking will occur shortly after the meeting. Kent gave a brief description of some of the history surrounding the event. On a side note, Kent reported that at the Nixa Radio Club's Titanic Special Event station, he made about 20 contacts as the sole CW operator.

Mike, WAØZOG, borrowed and brought some books on homebrewing equipment such as radio tubes for people to take a look at.

Presentation:

Andy, WNØI, passed around his miniature 40M transceiver and tuner.

Respectfully submitted: Mark Eberle (KIØY), Secretary-Treasurer.
