2-Meter Repeater report: Tim, KAØOUV, reports that the repeater is performing well. There is some short-term work and long-term work to do on the repeater. Short-term work includes upgrading the battery backup. Long-term things to think about include changing feedline, antenna, and possible structure replacement.

Digipeater report: Rich, NØJBF, reports that the digipeater has been overhauled by Rick, KCØPET, and is now back at it's main location at the southwest campus of Capital Region Hospital. Thanks to all who helped with the effort to get the site work completed.

Missouri Emergency Packet Network (MEPN): Jim, NØTKN reported that things are working well. The Centralia node is back up and running after being temporarily down during the MS Bike Ride.

Local Emergency Coordinator's report: Rich, NØJBF, expressed thanks to all those who helped out with the MS Bike Ride. Thanks were also given to Kent, K9ZTV, for heading up the Starkenburg Scouting event.

District Emergency Coordinator's report: Joe, KBØQHZ, reported that Osage County will be having a training session on message handling. This will be on Tuesday evenings on the Linn repeater.

Also, the Jamboree On The Air (JOTA) event will be taking place on October 15th and 16th.

VE Liaison's report: No report.

CW Classes: Kent, K9ZTV, reported that the classes continue to meet as scheduled. If anyone wishes to take over as the instructor for the advanced class, please let Kent know. The advanced class meets at Mel's Country Café at 6:45am on Saturday mornings. The intermediate class meets at Mel's after breakfast on Saturday mornings at 9am, while the beginning class meets an hour later at 10am.

Training Committee: Rich, NØJBF, reported that the Technician class is going well. There are about 15-16 students taking part. The most recent class covered basic electronics with Rick, KCØPET, serving as the instructor.

Club Shirts/Jackets/Patches: Bryan, KDØGRU, and Laura, KDØGRV, brought some samples to display. Caps will be $6.15, the jacket with a nylon lining will be $36.65. A callsign can be added for $1.50. A jacket with a quilted lining will run $42.15. An order sheet will be created and placed on the website. Those wishing to purchase items will need to print off the order sheet, fill it out, and turn it in with your money.

Mid-Mo Emergency Radio Service: Rich, NØJBF, reported that the By-Laws were edited and returned to Jerry, KDØNPF, for review. When the By-Laws are approved, we can then being working on applying for 501(c)(3) status.

MS Bike Ride Recap: Kent, K9ZTV, reported the event was very successful. Jim, NØTKN, added that it went better than in years past. Tim, KAØOUV, encouraged folks to try operating as Net Control. Kent added that anyone wishing to operate as Net Control should preferably have experience as a SAG radio operator.

Race to the Dome Recap: Joe, KBØQHZ, reported that everything went well. There was a delay at the start due to fog, but once up and running, no problems were encountered.

WØO Halloween Special Event: Kent, K9ZTV, reported that the callsign is reserved from Friday, October 28th through Wednesday November 2nd. The plan will be to meet at McDonalds on Eastland at 1pm, grab a bite to eat, and then head out to the site to set up. Those wishing to stay overnight and operate are welcome to do so. Gary, KØWYN, will be making chili and those stopping by are encouraged to bring snacks, drinks, etc.

New business

None.

Announcements:

Mike, WAØZOG, announced that Charles, NØROK, has asked for assistance in getting a wheelchair ramp built up to his porch and ideas on how to transport the wheelchair in or on a vehicle.

Kent, K9ZTV, announced that Mitch, WDØECO, is looking for a licensed electrician to help run some 220V wiring and deal with the issue of existing cloth wiring.

Jack, NØKSF, recommended that the club send a thank-you note to Jeri, KØRPH, in appreciation of the donations received from Tom's estate.

Mike, NØZH, reported that the Red Cross is looking for donations to improve their radio station. They are looking for items such as 2-meter antennas, wire for a dipole, masts, coax, etc. Karl, WA2KBZ, offered a Ringo Ranger and some Radio Shack TV poles. Bill, KDØMRJ, added that once the ham equipment is received, they will also be looking for a 47Mhz antenna to go with the Red Cross radio.

Presentation:

Kent, K9ZTV, gave a quick slideshow presentation on the ham radio demonstration given at Starkenburg for the Boy Scouts.

Respectfully submitted: Mark Eberle (KIØY), Secretary-Treasurer.
