Thanks to all those that helped out this year. We did identify problems with the JCFD trailer. The generator would not charge the battery and the propane tanks had some debris in the lines. Both issues were remedied and brought to the attention of JCFD. Without an exercise such as this, they could have had problems during an actual deployment of the trailer.

Retirement Gift: Rich, NØJBF, noted we still need to decide on a gift for Pastor Buchholz. The gift was discussed and determined to be a $100 Visa Debit Gift Card. Laura, KDØGRV, will arrange to pick up the gift card.

New business

WØO – Kent, K9ZTV, reported that the callsign has been granted and posed the question of how to handle QSL requests. After some discussion, it was recommended that we ask for an SASE this year to help offset the costs associated with mailing all the cards.

Announcements:

Randall, KDØDSJ, announced that he has a book for sale for $20. RF Amplifier Classics

Greg, WBØAQV, brought some Motorola speakers to give away and also conducted a small raffle for some other various items.

Presentation:

Field Day slide show presented by Bob Heald, WØXII

Respectfully submitted: Mark Eberle (KIØY), Secretary-Treasurer.
