## Old business

**2-Meter Net Report:** Mike, NØZH, reported a total of 61 check-ins in September.

| **Net Results:** | | | **Upcoming Net Controllers:** | |
|---|---|---|---|---|
| Sep 19 | KDØGRM | 12 | Oct 17 | KDØGRV |
| Sep 26 | KDØQFN | 17 | Oct 24 | KDØQFN |
| Oct 3 | NMØC | 20 | Oct 31 | NØZH |
| Oct 10 | KDØNPF | 17 | Nov 7 | KDØGRM |

Please contact Mike at [REDACTED] or by phone at [REDACTED], if you will not be able to call the net you are scheduled for so other arrangements can be made.

**2-Meter Repeater report:** Jim, NØTKN, reported that things are still working well. The upgrades have not yet been made.

**Digipeater report:** Rich, NØJBF, reported no changes as the digipeater is still at Rick's house.

**Missouri Emergency Packet Network (MEPN):** Jim, NØTKN, reported no changes, although a field trip would be good to do.

**Local Emergency Coordinator's report:** Rich, NØJBF, reported that there are still no details about the exercise in November.

**District Emergency Coordinator's report:** Joe, KBØQHZ, reported that there has been some controversy concerning the type of ARES jacket or vest should be used to identify members. A standard is being investigated to clarify the issue. More info is to follow.

**VE Liaison's report:** Steve, KDØGRM, reported for Nancie, that no one has requested time for an exam. The next exam session will be held on November 19th as the conclusion of the Technician license class.

**CW Classes:** Kent, K9ZTV, reported that the 10M net on Monday nights may be sparse due to the Technician class that is going on. The net is held on 28.100Mhz at 7pm local time. Any speeds are welcome. No CW classes will be held on October 20th.

The advanced class meets at Mel's Country Café at 6:45am on Saturday mornings. The intermediate class meets at Mel's after breakfast on Saturday mornings at 9am. The beginning class meets at 10am.

**Training Committee:** Mike, KMØS, reported that the Technician class is underway. There is discussion of doing a Saturday session which would include a field activity. Tentative time for this is November 3rd. The exam will be held 11/19 at 7pm. Location will be Cole County Emergency Services building. Anyone looking to take an exam at this time, please contact Nancie, NMØC, to confirm your spot.

**Club Shirts/Jackets/Patches:** No report

**Mid-Mo Emergency Radio Service:** Rich, NØJBF, reported no update.

**Zonta 5k Recap:** Steve, KDØGRM, reported that the event went well. One person went twice. Total time was around an hour and ten minutes. Six club members helped out and thanks go out to Joe, Andy, Bill, Colleen, Steve, and Nancie.

**WØO Special Event:** The plan this year is to go out and set up on Sunday. Then for operation on Wednesday, people can go directly to the site and begin operating. For the setup, plan to meet at the Eastland McDonald's at 1pm. Teardown will be on Thursday morning. Larry Anderson's daughter will create the QSL card again this year. All QSLs will be done via SASE only in order to save paying postage.

## New business

None

## Announcements:

JOTA: The club has been asked to set up a radio station for this year's Jamboree On The Air event down near Laurie. This would be similar to the setup that was done the previous year at Starkenburg. The plan will be to leave here around 7am, set up at 9am, operate for a while, and then tear down in the afternoon. Four volunteers are still needed. Please get with Kent, K9ZTV, if you would like to help out.

Rich, NØJBF, brought a box of items from an estate sale that are still available. Talk to Rich about pricing info if interested in anything.

Laura, KDØGRV, asked if the club has thought about going to events such as Oktoberfest and setting up a booth to generate interest in ham radio.

Rich, NØJBF, announced that Kent had sent him some information about a new amateur satellite in orbit. It is called FITSAT-1 and operates on 437.250Mhz. It is the size of a 10cm cube. It has LED's on the outside which flash a message in Morse code and will be visible at night using binoculars.

Karl, WA2KBZ, announced that the Mid-Mo VHF Society has created a new award called the Lower 48 6M Worked All States award.

Kent, K9ZTV, announced that the Tech Committee is encouraged to complete the remote repeater project so that the parts can be removed from his basement.

## Presentation:

None

Respectfully submitted: Mark Eberle (KIØY), Secretary-Treasurer.
