Previous Meeting Minutes (presented & approved with corrections)

Approved as corrected

Secretary-Treasurer's Report:

Previous Bank Balance:	$19,167.05	
Electric Bill:	12.32	
Phone Bill:	42.98	
Deposits:	200.00	Donation from AD0DQ for UHF Repeater purchase
Checks:	$800.00	#1050 to Andrew Norman for UHF Repeater
Current Bank Balance:	$18,511.75	

VE Liaison's Report:

Steve Hick, WW0G, reporting: Had an Extra test after breakfast this past Saturday; an out-of-town operator who was passing through the area.

2 Meter Net Report: Steve Hick, WW0G, reported a total of 130 check-ins for March.

Net Results:		
Mar 19	KB0QHZ	46*
Mar 26	KB0QHZ	46*
Apr 2	WW0G	??
Apr 9	N0ZH	??

Upcoming Net Controllers:	
Apr 16	KD0MRJ
Apr 23	AD0DQ
Apr 30	WW0G
May 7	N0ZH

***** Joe Betros, KB0QHZ, conducted these nets from the Sheriff's Dept. on the 19th and the Police Dept. on the 26th. In both cases, at the end of the Net, he conducted a simplex net to determine coverage. The totals are for the standard net and the Simplex net.

2 Meter Report:

Jim Biggerstaff, N0TKN**,** reporting: Operational. Did a recent site visit to measure for replacement heliax.

Missouri Emergency Packet Network (MEPN):

Jim Biggerstaff, N0TKN**,** reporting: Operational

Digipeater Report:

Rick Bennett, KC0PET, not present

Local Emergency Coordinator's Report:

Rich Kreiser, N0JBF, Not Present

District Emergency Coordinator's Report:

Joe Betros, KB0QHZ**,** reporting: The WebEOC load test went well. We got together with the St. Louis people and are going to continue to study usage. J.D. Simmons: The June exercise is still in the planning stage, but hams will be involved.

CW Class:

Kent Trimble, K9ZTV**,** reporting: There was no meeting last Saturday due to other activities. Reminder that all are welcome to attend the CW classes and breakfast.

Training Committee:

Steve Hick, WW0G, reporting: The General Class is going well.

Field Day:

Jerry Sill, NN0JS, reporting: Field day is Saturday, June 28th. We will need two pick-ups for transport of equipment. The masts and antennas will need to be picked up on Friday. Regular breakfast at Mel's at 8:00 a.m. then we'll go out to the site. Mike Miller, WA0ZOG, will provide one pick-up; Mike Dolson, N0ZH, might be available for the other one. We're going to start writing letters of announcement/invitation to the related organizations; Kent Trimble, K9ZTV, and Mike Dolson, N0ZH, have the masters. Letters will go to all area media, city councilmen, local legislators, emergency heads, etc. Need assistance from any member adept at writing press releases – Nancie McAnaugh, NM0C, and Tony DeWitt, AD0DQ, are both capable. Bill Gerth's wife will get an article into the "Active Times." Hope to have all this done by the next meeting. We'll start confirming vehicles on May 1.

W1AW/0:

Mitch Odneal, NW0M, reporting: The event is about six or seven weeks away. We are still building a list of operators and have many 2 hour slots open. Contact Mitch at [REDACTED] if you are interested. You must keep an accurate log.

Old Business

1. Boy Scout Merit Badge Project: Kent Trimble, K9ZTV, and Bill Gerth, W4RK, coordinating; Steve Hick, WW0G, Andy Adams, WN0I, Joe Betros, KB0QHZ, and Rich Glassner, N0EAX, assisted. We had a good time and the weather was good. Fifteen scouts participated; all were well behaved and attentive. Our first QSO was with Poland.
2. Another thanks to John Graves, KB0NXK, and Carol Abbott, KD0YBL, who continue to update the website. Check out the results: www.mmccs.com/mmarc/
3. The Board is working on a club budget – it will be presented at the May meeting. If you have any suggestions, contact a board member.
4. Tony DeWitt, AD0DQ, reported that he is still awaiting a response from State Fair officials regarding a Ham Radio display at the Fair. Will report further at the May meeting.
6. The funding of a linked UHF repeater was approved at our February meeting. Tony DeWitt, AD0DQ, graciously donated $200.00 toward the purchase.
7. Jim Biggerstaff, N0TKN, is putting together a parts order for the repeater projects.
8. The continued need for a phone line to the repeater site was discussed. It is currently necessary for remote control of the repeater. The Technical Committee will look into an alternate means of repeater control after the current repeater projects are completed. Decision to discontinue the phone line ultimately rests with the trustees.
9. OzarkCon Comments? — There is a booklet on display at the head table for anyone interested.
10. Missouri QSO Party: There was good participation and activity.

New Business:

1. Kent Trimble, K9ZTV, reporting: N0SS QSL cards – we have received a list of the 2013 lookups on qrz.com. A QSL card will be sent upon receipt of the requestor's self addressed stamped envelope. This condition is posted on qrz.com. Whoever uses the N0SS call sign should be the one who sends out the QSL card. Kent has been paying the cost of printing and mailing these cards; the board will discuss this at their next meeting.

2. All members must pay regular dues and submit expense receipts (if any) for reimbursement.

Announcements:

1. Karl Schulte, WA2KBZ, is a new grandfather and also had an article accepted for CQ magazine.
2. Next month's program will be on MESH presented by Jim Biggerstaff, N0TKN, and Mike Dolson, N0ZH.
3. Hamvention 2014 in Dayton is scheduled for May 16-18.
5. If you have not signed in, please do so before you leave the meeting.

Adjourn: 8:35 p.m.

Compiled and Submitted by Bob Heald, W0XII
