K0ETY Repeater Report:

Jim Biggerstaff – N0TKN Functioning as Normal. Air filter and oil changed on generator. Repeater performs an emergency power test on Wednesday's at 10:00 AM.

Missouri Emergency Packet Network (MEPN): 145.070 Mhz

Jim Biggerstaff - N0TKN
Working fine. Used often for Winlink connection in Columbia.

Digipeater Report: 145.010 Mhz

Rick Bennet – KC0PET
Not present - Digipeater currently not installed.

ARES Report:

J.D. Simmons – WA0BER

ARRL decided to discontinue the ARES Connect application. It was never widely accepted. June 30th ARES connect will be taken offline. Emergency Coordinators will continue to send reports.

The ARES district exercise is scheduled for Saturday, Jan 30, 2021. The exercise begins at 0900 hrs. It is scheduled to end at 1100 hrs. More information to follow. Please check your e-mail for updates. Adrian Communication's trailer in Mexico, MO will be deployed. Modes will be digital and voice. EC will hold meetings on Video Teleconferencing.

All check-ins will be solicited from, and responses directed to, the Audrain County Radio Club (ACRC) communications trailer. The call sign is AA0RC. Periodic announcements regarding the conduct and timing of the exercise will originate at the Audrain County Radio Club (ACRC) trailer and broadcast via the Mexico VHF repeater on 147.255+, Tone 127.3 and on 3.963, LSB, HF. These announcements will be repeated on the Jefferson City repeater KB4VSP 146.865-, Tone 127.3.

HF – Missouri Emergency Services Net (MESN) 3.963 MHz LSB

ARES cards are still available from Kent if you have not received one.
To obtain a new card send passport style photo with ARES registration form.

   Dipoles - Tim Raymer March
   Towers – Confirmed by Jim Branson April
   DXing
   Contesting
   AMSAT
   CW

2. New Business as determined by President.

3. Hamvention Cancelled.

Official Statement from Executive Committee, Dayton Hamvention 2021
"Unfortunately, several setbacks in the recovery from the COVID-19 pandemic make necessary the difficult decision to cancel Hamvention 2021. Hundreds of volunteers have been working to do everything necessary to bring this Hamvention to the many amateur radio enthusiasts and vendors who support the Dayton Hamvention.

Vaccine distribution both in the United States and around the world is lagging behind what was planned. In addition, the emergence of a more communicable form of the COVID-19 virus increases the potential for further public health problems in the next few months. We make this difficult decision for the safety of our guests and vendors."

4. 4DIM Cancelled.

FDIM Statement:

"Well, I'm sure we have all heard the news that the Dayton Hamvention has been canceled for 2021. The unavoidable consequence of this is that QRPARCI will also cancel the physical FDIM convention.
That said, the hard work of lining up speakers and topics for our convention has already been performed. We will have a VIRTUAL FDIM, with a host of interesting and informative topics. We will be ironing out the details of this over the next month and updating the membership as we go.

I look forward to this event, and then gathering again in 2022. Until then, stay healthy, optimistic, and radio-active!"

Events:

Oscar's luncheon: Pending until COVID-19 subsides.

Announcements:

1. ARES Net - Every Wednesday evening at 8:00 PM - 147.00 MHz and 442.150 MHz - PL Tone 127.3

2. Tech/Builders night – Most Tuesdays 7:00 PM – Zoom

3. If you wish to take an Amateur Radio License Exam, please contact: Mike Smith (AD0YM) 573-635 [REDACTED] 2 -[REDACTED] t.

4. VHF Contest - January VHF Contest. Begins 1900 UTC Saturday, ends 0359 UTC Monday.

Antenna Parties:

1. Jim Crago – Tower erection - Tower bases completed. Erect tower and antennas. Jim Crago has been hospitalized after being injured from a roof fall. (Jim Crago has broken ribs and pevis)
2. Mike Dolson – Tower erection - Jim Branson (Jim Branson has broken ribs and will not be climbing for 6-8 weeks)

***Adjourn Time**:* 8:12 pm
