VE Liaison's Report:

There were no requests for a test session since our May meeting. For the sake of a record, three successful candidates who tested (10 May) which was just before our last meeting have since obtained their Technician licenses:
Courtney Zimmerman - KF0JGZ
Christopher Gaut - KF0JFW
Roberta (Robin) Siebeneck - KF0JFV
The above were staff for our State Emergency Management Agency.

A test session has been scheduled to immediately follow tonight's meeting

The current test pool for Technician will be updated resulting in a slightly different test for those testing beginning 1 July 2022

Tim Raymer stressed the need for additional VEs.
