2 meter Repeater Report: Noise on the repeater still a problem. Lengthy discussion pertaining to its resolution.

Digi-peater Report: No problems noted.

Emergency Coordinator's Report: None discussed.

CW Class: The class is every Saturday at 6:45 a.m. at Mel's.

MEPN 6 Meter Node: Centrallia node delayed due to health issues of climber. New climber hired to start after Dayton.

MS-150: Volunteers are need for 25 sag wagons. A new 40-mile course has been added this year. Training for operators will be available during a club meeting. Use of APRS discussed.

New Business:

Field Day, 2005: The club was presented with a field day proposal (prepared by Kent). Highlights of the proposal include:

- Using The N.J.C.R.A. site
- Use of wire antennas only (except VHF/UHF station)
- Stations will operate QRP from battery power
- Stations will be housed in tents
- Emphasis will be on having fun scoring of least importance

The club discussed the proposal and it was generally accepted.

Member news: Dave Taylor (NØMV) announced he was moving out of state. Dave is a good friend and an asset to the club. The club is excited for Dave, but he will be missed.

VE exams: No testing

Program: No program

Respectfully submitted: Bryan Braunschweig, WØESE, Secretary-Treasurer.
