June 25	W4RK	10
July 2	KAØI	13
July 9	NØZH	

2-meter Repeater report: NØSS reports that repeater seems to be running fine.

Digipeater report: Status unknown.

MEPN: No new news.

Emergency Coordinator's report: KBØQHZ reported a Red Cross exercise is scheduled for June 26th. The exercise will simulate a power outage.

Field Day: Club is ready for Field Day, all vehicles have been secured and Porite site available.

Tech Class (Highway Patrol): KAØI reported that the class is still going well. The class has about 18 students.

Extra Class Study Group: WAØZOG reported that the class has met every week except one. Class may begin to also meet on the weekends.

CW Class: The CW class continues to meet every Saturday, at 0645 (before breakfast), at Mel's Country Café.

New business

Dayton Hamvention: Club members who attended the hamvention commented on their experience.

MARS: Karl, WA2KBZ reported that MARS has reactivated the use of CW.

6 Meters: Bill, W4RK reported great conditions on 6 Meters. Bill also explained how sporadic E propagation works on the band.

VE exams/reports: Jack, WBØB will organize a "VE study group" when time permits.

Program: Karl, WA2KBZ spoke about the Moxon antenna.

Respectfully submitted: Bryan Braunschweig (WØESE), Secretary-Treasurer.
