#1044 - Don Atkinson: Field Day Generator Fuel

Old Business

2 Meter Net Report: Mike Dolson, NØZH, reported a total of 76 check-ins for July.

Net Results:

July 17	KDØQFN	12
July 24	NNØJS	15
July 31	NØZH	15
Aug 7	KDØGRM	19

Upcoming Net Controllers:

Aug 14	NØJBF
Aug 21	WWØG
Aug 28	NØZH
Sep 4	KDØQFN
Sep 11	KDØMRJ

2 Meter Report:

Jim Biggerstaff, NØTKN, not present. He and Tim Raymer, KAØOUV, worked on the cans. The system is still on reduced power and the cans need more work.

Digipeater Report:

Jim Biggerstaff, NØTKN, not present, Rich Kreiser, NØJBF, reporting. System is working well.

Missouri Emergency Packet Network (MEPN):

Rich Kreiser, NØJBF, reporting, the Showme Intertie is still down and we are awaiting a reply on our offer of a temporary replacement.

Local Emergency Coordinator's Report:

Joe Betros, KBØQHZ, not present: No report. Mike Betros, KDØQFN, gave an update on Joe's condition.

District Emergency Coordinator's Report:

Joe Betros, KBØQHZ, not present

VE Liaison's Report:

Nancie McAnagh, NMØC, we have one or two for testing after the meeting.

CW Class:

Kent Trimble, K9ZTV, The CW Training Net has been re-established on Monday at 7:00 p.m. Kent reviewed the QN signals and advocates using them during the CW Net. [Note: The net started on 28.100 MHz, but has since been moved to the 2 meter band on the repeater.]

Training Committee:

Mike Thayer, KMØS, We will have a Technician Class starting mid-September or later; date to be announced.

Mid-MO Emergency Radio Service:

Rich Kreiser, NØJBF, nothing to report.

Field Day 2013:

Mike Dolson, NØZH, reporting. Final numbers will be given at the September meeting.

New Business:

The News Tribune is putting together a publication regarding the role of amateur radio during the 1993 flood. Anyone who was involved, please let them know.

Volunteers are still needed for the Bike MS which is September 7th and 8th.

Tony DeWitt, ADØDQ, suggested that a booth at the State Fair would be a good idea. Volunteers would talk about the benefits and enjoyment of amateur radio. He would like to get other clubs involved in the activity so volunteers would only have to commit to a single day. After extensive favorable discussion, Tony agreed to talk to the Sedalia club and report back next meeting.

Announcements:

Mike Dolson, NØZH, advised that he had a lot of CAT5 and patch cables for anyone interested in becoming involved in MESH.

The dual band antenna, which Kent Trimble, K9ZTV, purchased at the Washington hamfest, has been installed. Also, a power supply has been added along with the Kenwood V7 from Roger Conway's estate. A scanner was also included. Additional items may be added (for later discussion.)

A list of club activities should be added to our website. To be determined.

Kent Trimble, K9ZTV, suggested that the club's emergency coordinator should put some thought into a deployment plan so that, when needed, we will know who is expected to cover what areas and from where.

The meeting was adjourned at 8:02 p.m.

Compiled and Submitted by Bob Heald, WØXII
