Election of Officers:

Nominations for officers for 2014 are:

Board Position:	Bill Gerth, W4RK
President:	Mike Dolson, NØZH
Vice President:	Jerry Sill, NNØJS
Secretary/Treasurer:	Bob Heald, W0XII

After opening the floor for additional nominations and receiving none, all four were elected by acclamation.

By Laws Change:

The change to the dues policy making dues payable on June 1st of each year was approved at the October meeting. This change created a conflict in Article 6, section 1, paragraph B of the by laws. At the November meeting, a motion to change this portion of the by laws was made by Joe Betros, KBØQHZ, and seconded by Tony DeWitt, ADØDQ. The section will be amended to read, "... as specified in section 3."

New Business:

1. Newly elected President Mike Dolson resigned his position as 2 meter net manager. Steve Hick was nominated and elected to fill the position.
2. ARRL station W1AW was granted call sign W1ØØAW for the duration of 2014 as this is the ARRL's 100th anniversary year. The call sign will be used during Straight Key Night this New Year's Eve and Day.
3. Bill Gerth, W4RK, reporting: I am liaison with Capitol Region Medical Center and recently attended a Region F planning meeting. All hospitals are required to have periodic disaster exercises. Jon Johnson represented St. Mary's Health Center. Dave Bagge, Joe Betros, and Jerry Sill also attended. There was extensive discussion about the needs – the two hospitals will determine their specific needs and another meeting will be announced later.
4. Greg Abbott, WBØAQV, and wife attended the Missouri Disaster Preparedness Conference. Many others attended. Greg described various ham-related capabilities to the attendees. He suggested we should be prepared so we can leave on a moment's notice to assist in disasters. General recommendation is for seven day's supply of food and water in homes at all times. Greg stressed that there is to be no "self-deployment," we must wait until we are called or requested. Suggestion was made to Greg that he and his wife prepare a presentation for a later MMARC meeting.
5. Kent Trimble, K9ZTV, mentioned that we have been asked to assist with Boy Scouts in March. He will have more information at the January meeting.

Announcements:

Radio Moscow is ceasing short wave broadcasts, as have most countries.

An Alex Loop program will precede the January meeting but it will start at 7:00 p.m.

Randall Rolle, KDØDSJ, has a set of General Class study CDs he would like to sell for \$15.00

There was no Program.
