Old Business

2 Meter Net Report: Mike Dolson, NØZH, reported a total of 71 check-ins for the previous 4 nets.

Net Results:

Feb 20	KDØGRV
Feb 27	KDØGRM
Mar 6	NMØC
Mar 13	KBØQHZ

Upcoming Net Controllers:

Mar 20	KDØQFN
Mar 27	KDØGRV
Apr 3	NMØC
Apr 10	KDØGRM

Note: Totals were not announced for the individual nets.

2 Meter Report:

Jim Biggerstaff, NØTKN, reported the repeater is working but about as weak as it has been. The cans will be tuned.

Digipeater Report:

Jim Biggerstaff, NØTKN, checked the digipeater today and it was functioning properly.

Missouri Emergency Packet Network (MEPN):

Jim Biggerstaff, NØTKN, advised MEPN is functioning properly, checked today.

Local Emergency Coordinator's Report:

Rich Kreiser, NØJBF, reporting – nothing new to report but do want to remind everybody about the Skywarn training. Several attended the recent training. There are two more chances to attend: Linn County EOC next week and April 2nd at the Holts Summit Civic Center. Will try to get the dates out to everybody in an e-mail. Dates also listed on National Weather Service website in the St. Louis section. Try to attend, good information – Jim Kramper does an excellent job and makes it entertaining as well. WX0STL (St. Louis Weather) can be reached through Show Me Inter-tie.

District Emergency Coordinator's Report:

No report

VE Liaison's Report:

Nancie McAnagh, NMØC, reporting – expecting a test following the meeting.

CW Class:

Kent Trimble, K9ZTV, reporting – classes continuing. Very gratified with the progress some are making.

Training Committee:

Mike Thayer, KMØS, reporting – General Class starting the last Monday of this month. I'd like to have an instructor meeting this coming Monday. Meeting and classes will be held at the Red Cross Training Room on McCarty Street at Jackson. Will order new manuals for the instructors. Would like to have a half dozen or so instructors along with others attending for "color commentary.

Club Jackets / Shirts / Patches:

Bryan Norman, KDØGRU, reporting – Factory has the shirts ready and is waiting for the jackets to come in. Work being done at Farmington.

Mid-MO Emergency Radio Service:

Rich Kreiser, NØJBF, reporting – had a short board meeting this evening before the club meeting. I need to meet with the club board on a couple of issues and put together a list of potential board members. Hopefully will get this off the ground sometime this year.

Field Day 2013:

Mike Dolson, NØZH, reporting – Richard Manning, ACØSA, has contact with an individual who says he can run everything with solar power. Not sure he realizes what all is involved. Richard will check with him before next meeting. There will be six vehicles with radio equipment, air conditioning, and lighting. Assuming Conservation generators are still available – I'll contact Bill Davis to confirm. Kent will supply tents for shade. Cole County SERT tent is no longer available. Other vehicles we have used in the past are available. Exception is the Red Cross vehicle which was on site last year for Red Cross publicity. Consensus is that we don't need to deal with it or the liability of having it there. Will contact JCFFD in May to firm up details for use of the Fire Department vehicle. Information was posted on the ARRL website today. Would like for somebody to take on the duties of Public Information Officer. Nancie McAnagh, NMØC, and Laura Teske, KDØGRV, will share the duties. The alternate power category, which we did last year, requires five contacts; we need to identify who we contact.

SOTA:

No Report

New Business:

Greg Abbott, WBØAQV, requested a report on the design status for radio at the new St. Mary's Health Center. Bob Heald, WØXII will check on this and report at the April meeting.

Kent Trimble, K9ZTV, noticed that the picture is missing from the Willis Corwin memorial on the north side of the 100 block of E. McCarty near Winter-Dent and First Presbyterian Church. Appears to be weather related rather than vandalism. He contacted Capitol Monument who will replace the picture sometime within the next month. Kent will photocopy the article that was submitted to *Electric Radio*. Everybody should know about it as it's part of our history.

Announcements:

None

The meeting was adjourned at 7:35 p.m.

Compiled and Submitted by Bob Heald, WØXII
