Announcements:

- 1) Several members attended the ARRL Midwest Convention held in Lebanon on Friday and Saturday, November 8th and 9th. Three members operated W1AW during the event and received certificates for their participation. There were 12 minute time slots for each operator – Kent had to adapt his paddle to their Icom rig. Dave Sumner, CEO of ARRL did a presentation on the upcoming 100th anniversary of ARRL which will be celebrated throughout 2014. Details are in the latest issue of QST magazine. There was a lot of vendor support but flea market seemed to be lacking. There were also a lot of public service vehicles on site.
- 2) Thanks extended to several members for assistance with erecting Rich Kreiser's tower/antenna and Greg Abbott's tower/antenna.
- 3) Bill Gerth, W4RK, extended thanks to all who assisted with the installation at the Sheriff's Dept. and noted that Sheriff Greg White said that we are welcome to use the rig any time.
- 4) There will be a meeting on December 12th at Capitol Region Medical Center to discuss plans for an all-hospital exercise scheduled for January 8th.
- 5) There will be a Straight Key Night starting at 6:00 p.m. on December 31st and running to 11:59 p.m. on January 1st.
- 6) There was a nice article in a recent News Tribune edition about veterans. It included a photo of the Willis Corwin memorial.
- 7) Several contests are coming up – details will be announced later.

There was no Program.

The meeting was adjourned at 7:42 p.m.
