2 Meter Report:

Jim Biggerstaff, NØTKN, working well.

Digipeater Report:

Jim Biggerstaff, NØTKN, haven't checked this week.

Missouri Emergency Packet Network (MEPN):

Jim Biggerstaff, NØTKN, reporting, working well

Local Emergency Coordinator's Report:

Rich Krieser, NØJBF, system is quiet. However, we were notified too late to participate in an emergency simulation.

District Emergency Coordinator's Report:

Joe Betros, KBØQHZ, all quiet. Added comment ref emergency simulation: we need enough lead time to set up.

VE Liaison's Report:

Steve Hick, WWØG, reporting for Nancie; we have one for testing after the meeting.

CW Class:

Kent Trimble, K9ZTV, We are suspending the Monday evening CW 2 meter training net for the duration of the Technician Class. However, anyone who wants to run a CW net on Monday evening is welcome to do so.

Training Committee:

Mike Thayer, KMØS, The Technician Class is being held at the Sheriff's Dept. and is going well. We have 21 signed up. We need an instructor for the November 25th class.

Mid-MO Emergency Radio Service:

Rich Kreiser, NØJBF, we are a corporation in good standing for another year.

Cole Co. Sheriff's Dept Installation:

Jim Biggerstaff, NØTKN, reporting: Equipment was installed over two Tuesdays. We purchased a 40 foot capable mast, extended it to 28 feet at secured it with guy lines. Thanks to all those who helped. Following equipment was installed: dual band antenna, HF dipole Windham, a MESH node, V71 dual band radio, 30 amp power supply with Power Poles ready for carry-in HF rig. The system is working well – it is able to hit most repeaters in the area. Lightning arrestors were also installed. We spent about \$2,200.00 and had a few donated items. Joe Betros, KBØQHZ, suggested that the Wednesday night net be conducted from the Sheriff's Dept. once it is fully operational.

By Laws Change:

A change to the dues policy making dues payable on June 1st of each year was proposed at the September meeting. During discussion, it was suggested that members get a "bye" until the June 1st following their current due date rather than pro-rating dues. The affected part of the by laws is article 6, section 3. After discussion, the proposal passed unanimously. It was mentioned that this change will impact other sections of the by laws and require changes; there are numerous sections which list specifics dates, all of which will need to be changed. This will be voted on at the November meeting.

New Business:

Frankenstein W00 Event – Proposal was made to erect antennas on Sunday, October 27th. With the Kirkwood Hamfest on Saturday, October 26th, all agreed Sunday would be an appropriate time. The established plan was to meet at the Eastland Drive McDonald's at 1:00 p.m. on Sunday, then caravan to the site. The event was to be activated sometime after noon on Halloween. Rigs to be provided by Kent Trimble, K9ZTV, and Mike Miller, WA0Z0G. Mike will also provide the notebook computers for logging. Don't forget to bring snacks/drinks.

Announcements:

- 1) The ARRL Midwest Convention will be held in Lebanon on Friday and Saturday, November 8th and 9th. Like to see a lot of members in attendance.
- 2) The worldwide CQ contest is scheduled for the last weekend in October; Rich would like to work that.
- 3) Ray Lilley has some equipment for sale; an e-mail was sent out earlier.
- 4) Jim Biggerstaff, N0TKN, mentioned that W1AW will conduct a century celebration of ARRL in 2014. A station in each state will operate for a week at a time throughout the year with two stations/states on air per week. We need to determine which weeks are available. A motion was made, seconded, and carried that our club participate. An e-mail with details will be forwarded to all members when available.
- 5) Karl Schulte, WA2KBZ, will have several items for sale; contact Karl for details.

There was no Program.

The meeting was adjourned at 8:04 p.m.
