Old Business

2 Meter Net Report: Mike Dolson, NØZH, reported a total of 68 check-ins for August.

Net Results:

Aug 14	NØJBF	15
Aug 21	WWØG	18
Aug 28	NØZH	16
Sep 4	KDØQFN	17
Sep 11	KDØMRJ	11

Upcoming Net Controllers:

Sep 18	WWØG
Sep 25	NØZH
Oct 2	ADØDQ
Oct 9	KDØQFN

2 Meter Report:

Jim Biggerstaff, NØTKN, working OK, but still needs some adjustment

Digipeater Report:

Jim Biggerstaff, NØTKN, checked system today, it is working well.

Missouri Emergency Packet Network (MEPN):

Rich Kreiser, NØJBF, reporting, the Show-Me Intertie is still down and radios need to be ordered.

Local Emergency Coordinator's Report:

Rich Krieser, NØJBF, nothing to report

District Emergency Coordinator's Report:

Joe Betros, KBØQHZ, all quiet

VE Liaison's Report:

Nancie McAnagh, NMØC, we have one or two for testing after the meeting.

CW Class:

Kent Trimble, K9ZTV, The advanced class (0645) is cancelled this coming Saturday. Breakfast and intermediate class are still scheduled.

Training Committee:

Mike Thayer, KMØS, The Technician Class will start Monday, September 30th at the Sheriff's Department and will run 11-12 weeks. We are hoping for 10 to 12 students. There will be an instructors' meeting next Monday (16th) at the Red Cross Training Room.

Mid-MO Emergency Radio Service:

Rich Kreiser, NØJBF, nothing to report.

Bike MS Wrap Up:

Jim Biggerstaff, NØTKN, reporting: Our club was well represented (12 members) and we got a "Thank You" e-mail from the organizers. MS Representative Randy Adler said that no other event has the professionalism that the mid-Missouri ride has. There were about 1900 riders on Saturday. RFID timing system was used for the ride. There were eleven incidents and nine ambulance calls on Saturday. Somebody spread tacks on the route on Saturday. Sunday's start was delayed an hour due to weather and there were 900 riders. The event is on target for two million dollars in donations.

SOTA:

Bill Gerth, W4RK: There was the annual North American SOTA event last weekend. "My wife and I went to Taum Sauk Mountain on Saturday. It was very hot and humid. I worked six summits plus 40 other stations including 3 European DX contacts, all on five watts. We went to Webster County on Sunday where we activated the Webster County High Point and worked 50 stations. Ohio and Alabama just joined SOTA, which was started in England about ten years ago."

New Business:

The Zonta 5K run is Saturday, September 14th, starting at 7:30 a.m. and ending about 10 a.m. We need four or five volunteers to help with this.

Cole County Sheriff's Office Installation — Jim Biggerstaff, N0TKN reporting. We will make the installation in early October including an HF antenna. The only radio installed will be a Kenwood V71 which is a dual band (2m/440); when HF is needed, it will be a carry in for now.

There was discussion about changing our dues format so that everyone will be due on June 1st. As this requires a bylaw change, the discussion was tabled until the October meeting.

Announcements:

Kent Trimble, K9ZTV, spoke about deceased member Charlie Golden's equipment which his widow would like to sell. Photos and specs were on display.

Steve Hick, WWØG, mentioned that the Dept. Of Mental Health Central Office on Clark Ave. is looking for a donation of a UHF/VHF radio to use in case of emergencies. All DMH hospitals already have radios.

Greg Abbott, WBØAQV, needs some assistance with some tower work on Saturday, September 14th. Should only take about 15 minutes.

The meeting was adjourned at 8:22 p.m.

Compiled and Submitted by Bob Heald, WØXII
