

Minutes of the
Mid-MO Amateur Radio Club, Inc.
Jefferson City, MO

Meeting of: February 13, 2014

Called to order by: President Mike Dolson, N0ZH at 7:35 p.m. Preceded by program – Tony DeWitt, AD0DQ, Digital Modes of Operation.

In Attendance (32):

Greg Abbott	WB0AQV	Mike Dolson	N0ZH	Mitch Odneal	NW0M
Carol Abbott	KD0YBL	J Gattermeir	W0QBX	Jacob Riley	KD00IR
Andy Adams	WN0I	Bill Gerth	W4RK	Randall Rolle	KD0DSJ
Bill Anderson	KD0MRJ	Rich Glassner	N0EAX	Theresa Salzbrenner	KD0YLZ
Carol Atkinson	N0DIL	Matthew Griffin	KD0GOL	Karl Schulte	WA2KBZ
Don Atkinson	N0BIV	Bob Heald	W0XII	Jerry Sill	NN0JS
Rick Bennett	KC0PET	Steve Hick	WW0G	Hank Taylor	KD0BVQ
Joe Betros	KB0QHZ	Chuck Lahmeyer	AF6GT	Kent Trimble	K9ZTV
Jim Biggerstaff	N0TKN	Tony Michael	KD0VUV	Paul Urzi	K0PL
Sandi Bush	KD0YRP	Mike Miller	WA0ZOG	Gene Wilson	WB0KXP
Tony DeWitt	AD0DQ	Leonard Neff	KD0YLW		

Previous Meeting Minutes (presented & approved with corrections)

Approved as submitted

Secretary-Treasurer's Report:

Previous Bank Balance:	\$19,274.80
Electric Bill:	12.47
Phone Bill:	41.66
Deposits:	
Checks:	
Current Bank Balance:	\$19,220.67

VE Liaison's Report:

Steve Hick, WW0G, reporting: Nobody for testing this month.

2 Meter Net Report: Steve Hick, WW0G, reported a total of 92 check-ins for January.

Net Results:

Jan 15	AD0DQ	22
Jan 22	WW0G	19
Jan 29	KD0GRS	16
Feb 5	KD0YLZ	20
Feb 12	WW0G	22

Upcoming Net Controllers:

Feb 19	KD0GOL
Feb 26	KD0YLZ
Mar 5	WW0G
Mar 12	N0ZH

2 Meter Report:

Jim Biggerstaff, N0TKN, reporting: Working well.

Digipeater Report:

Rick Bennett, KC0PET, reporting: Working well.

Missouri Emergency Packet Network (MEPN):

Jim Biggerstaff, N0TKN, reporting: Working well.

Local Emergency Coordinator's Report:

Not Present

District Emergency Coordinator's Report:

Joe Betros, KB0QHZ, reporting: May be something happening in March; no further details

CW Class:

Kent Trimble, K9ZTV, reporting: We got snowed out last Saturday (Feb 8th). Last summer, Bill Gerth, W4RK, and I went out to Pine Ridge twice for Skeeter Hunt. Our score was 10,276 points, of which about 200 were on 5 watts. We were the top multi-operator station and fifth overall in the nation. *[A certificate in recognition was presented to Bill Gerth by Kent.]* Also, during our W00 operation, we had a QSO from France.

Training Committee:

Not Present

Field Day:

Jerry Sill, NN0JS, reporting: We have confirmed all needed vehicles. Kent Trimble, K9ZTV, will secure the site. Bob Heald, W0XII, will take photos. Kent has the club's two 8 foot tables. Still working on the tents – the provider wants to charge \$200.00 each this time. Jim Biggerstaff, N0TKN, will provide a generator; Tim Raymer, KA0OUV, is the contact at Dept. of Conservation for other generators. The Fire Department has repaired the tank switcher on their generator. Mike Miller, WA0ZOG, and Andy Adams, WN0I, will work with the computers. Jim Biggerstaff will setup the MESH network. Rich Kreiser, N0JBF, should be back in town the first part of March. We will need three K3s; Steve Harvey, NN0B, and Kent Trimble will provide two, and we are still checking on a third. Mike Miller will provide a Yaesu FT900 for the GOTA station. I would like to have at least two captains per station so we can have a schedule of operators. Anyone who would like to volunteer should contact me (Jerry Sill). Kent Trimble suggests we should make a Thank You gesture to Porite for allowing us the use of their grounds. Kent will provide a contact name.

Old Business

Miscellaneous Items:

1. This is the 100th anniversary year for ARRL. Each state has two weeks during the year to operate W1AW/Ø. Mid-MO ARC is the club sponsor for the first week (5/28 - 6/3) for Missouri. And we won't need to fill a schedule for 24X7 that week, just the times of good propagation. Karl Schulte, WA2KBZ, had previously agreed to coordinate the operation but has scheduling conflicts; Mitch Odneal, NWØM, will coordinate. A couple of other clubs want to participate. After we determine the number of operators involved, we'll try to get a schedule set up.
2. Kent Trimble, K9ZTV reporting: We have committed to assisting the Boy Scouts in an amateur radio merit badge effort. Bill Gerth, W4RK, and I are still working on this. The event will be in March.
3. Tony DeWitt, ADØDQ reported that he is still waiting to hear from State Fair officials about setting up an amateur radio display at the fair.

New Business:

1. Thanks to John Graves, KBØNXK, for the work he is doing on the website. Also, thanks to Carol Abbott, KDØYBL, for taking on the task of keeping the MMARC website calendar updated.
2. Brief comments regarding Winterfest were solicited – several members reported a few good buys.
3. There have been a lot of questions concerning the amount of money we have in the bank and what will be done with it. The Board has discussed having a budget so we can be good stewards of that money. The cost of running the club in 2013 (electric & phone bills, and Field Day) was \$806.00 (rounded). 25 members paid dues in 2013 which amounted to \$612.50 so, we were \$193.50 in the red for 2013. It takes a minimum of 32 dues paying members to operate the club; there are 72 members on the sign in sheet so, hopefully, with the change in dues collection and e-mail notification, this will remedy itself.
4. There was discussion regarding our money and budget. One item discussed was gifting money to outside organizations. Since we are not a money making organization, our dues are the only means we have of support. When the estate gift money is gone, there is no way to replenish it. Items discussed were: a) Can we invest the money? Jerry Sill, NNØJS, advised that it is not a good idea to do this at this time for a number of reasons, including having to pay taxes on investment income and the need for the money to be available for expenditures that may be recommend in the future. b) Could we apply for Federal grants? No, our current club status precludes this. Suggestions: for outside “gifting”, we could pass the hat. Bequeathed money should stay for club use. Tony DeWitt, ADØDQ, made a motion that we make no gifts from club funds; there were numerous seconds, and the motion carried.
5. President Mike Dolson, NØZH, will present a budget for vote sometime before June.
6. A request for gifting \$45.00 for a Missouri QSO Party Contest plaque. A hat was passed and \$82.00 was collected.
7. Bill Gerth, W4RK, has an acquaintance who has a working UHF repeater for sale for \$800.00. Jim Biggerstaff, NØTKN, advised it would take additional money for necessary “add-ons”. Tony DeWitt, ADØDQ, offered \$200.00 toward the purchase. Leonard Neff, KDØYLW, made a motion that we make the purchase; second by Steve Hick, WWØG; carried by hand vote.

Announcements:

1. John and Leigh Patterson, WC0W and WC0T, will be in Belize this weekend (mid-February); would like contact support from as many club members as possible. Call will be V31TP. The exchange is 599 and MO for state. Begins at 6:00 p.m. local time.
2. Next month's program will be a builders' night – bring your projects – any stage of progress is welcomed.
3. Make sure to sign in when you arrive – check the member sign in sheet first.
4. Ozarkcon is scheduled for April 4, 5, and 6. Hamvention 2014 in Dayton is scheduled in May; additional info at later meetings. Kent Trimble, K9ZTV, suggested purchasing the \$8.00 bus ticket in Dayton. Registration is \$20.00.

Adjourn: 9:01 p.m.
