Old Business

2 Meter Net Report: Mike Dolson, NØZH, reported a total of 56 check-ins for December.

Net Results:

Dec 18	ADØDQ
Dec 25	WWØG
Jan 1	NMØC
Jan 8	KDØQFN at JCPD

Upcoming Net Controllers:

Jan 15	ADØDQ
Jan 22	NØZH
Jan 29	KDØGRS
Feb 5	KDØYLZ
Feb 12	WWØG

2 Meter Report:

Jim Biggerstaff, NØTKN, reporting: Working well

Digipeater Report:

Rick Bennett, KCØPET, reporting: Working well.

Missouri Emergency Packet Network (MEPN):

Jim Biggerstaff, NØTKN, reporting: Working well.

Local Emergency Coordinator's Report:

Not Present

District Emergency Coordinator's Report:

Joe Betros, KBØQHZ, reporting: Bill Gerth, W4RK, working with Region F on an exercise.

VE Liaison's Report:

Nancie McAnaugh, NM0C, reporting: One person taking General test after meeting.

CW Class:

Kent Trimble, K9ZTV, reporting: Classes are going well. After Straight Key Night, we are back to using paddles.

Training Committee:

Mike Thayer, KMØS, reporting: We had a successful Tech class; about 20 attended. We will have a General class mid-March or so; I will schedule an instructor meeting sometime in February.

Miscellaneous Items:

1. Elections were held last month – congratulations to all officers.
2. Mike Dolson, NØZH, resigned the position of 2 meter manager and was succeeded by Steve Hick, WWØG.
3. Bill Gerth, W4RK, was elected as Board Member replacing outgoing Member, Steve Hick, WWØG.
4. We will operate for the ARRL 100th Anniversary for the week starting May 28th (Wednesday to Wednesday). We'll have more details later. Operation will be in the General bands and can be sideband and CW simultaneously. A coordinator is needed for the event – Mitch Odneal will volunteer if nobody else wants it.
5. Bill Gerth, W4RK, reporting on the recent hospital emergency exercise – yesterday (January 8th) all hospitals in Region F (same as MSHP Troop F) participated in the exercise. Region F was the first in the state to conduct this exercise; there will be additional exercises at later dates. It was the first use of amateur radios in the emergency trailers. There were four trailers involved: two in Columbia, one each at Capitol Region and Lake Region. Only two, Boone Hospital and Capitol Region worked; the other two had problems. Bill is the liaison for Capitol Region Medical Center and Dave Bagge, KDØCCP, ran the net. The exercise was followed by a conference call to critique the exercise. The Missouri Hospital Association was very complimentary, however, there are lots of things to work out before additional exercises. The main issue is personnel and organizational structure.
6. Kent Trimble, K9ZTV, reporting: the Boy Scouts have asked us to assist with radio merit badge efforts on March 15th. The program will involve a maximum of ten scouts aged 12 & 13. They must carry on a ten minute QSO, real or simulated, on CW, Voice, or Digital.

Club participants must be child safety certified. The location will be announced later and additional details will be mostly by e-mail.

7. Tony DeWitt, ADØDQ, has not yet gotten a response on our State Fair proposal. Still working on it.
8. Proposal to change the by laws to match the dues change was approved.

New Business:

1. President Mike Dolson, NØZH, explained the order of the agenda and asked that anyone wanting to introduce new business notify him prior to the meeting so it can be added to the agenda.
2. Vice President and Field Day Coordinator Jerry Sill, NNØJS, would like to nail down coordinators for each operation as soon as possible. It would be nice for leaders from last year to repeat this year. We need to include as many members as possible and it would be beneficial to have several members able to do various tasks. We are waiting for a response from DPS and the Fire Department regarding the use of their vehicles. We will also need the MSHP tower trailer. The event is set for June 28th and 29th. We can begin setup any time after 7:00 p.m. Thursday. Steve Hick, WWØG will take the clubs antennas for testing.

Announcements:

1. Long time club member, Mitch Wright, KCØCWU, who has been diagnosed with Stage 4 Colon Cancer, recently lost his home to fire.
2. The Collinsville Winterfest is January 25th. We will meet on the south parking lot by Sears and leave at 6:00 a.m.
3. There was a recent Board Meeting and there will be others in the future.
4. Karl Schulte, WA2KBZ, reported QRP contacts with former Yugoslavia area and New Hampshire.
5. Kent Trimble, K9ZTV, complimented Bill Gerth, W4RK, on his activation of the newly issued vanity call sign "W9ABD" of which Bill is the Trustee. The call sign "9ABD" was originally assigned to Willis Porter Corwin who operated from his parent's residence on East McCarty Street as a teenager and who participated in the first transcontinental relay of formal message traffic on the night of January 27, 1917. Willis is the first known ham operator in Jefferson City and the first resident to volunteer for military duty during World War I. He did so in response to a QST article about the U.S. Navy's urgent need for wireless operators. Also, several club members worked Straight Key Night and Kent reminded them to submit their reports to ARRL.
6. Next month's program: Tony DeWitt, ADØDQ, on his PSK setup.

Program: Alex Loop presented by Bill Gerth, W4RK, and Kent Trimble, K9ZTV. This program preceded the general meeting.

Adjourn: 8:47 p.m.

Compiled and Submitted by Bob Heald, WØXII
