2 Meter Report:

Jim Biggerstaff, NØTKN, reporting: Working well.

Digipeater Report:

Jim Biggerstaff, NØTKN, reporting: Not sure.

Missouri Emergency Packet Network (MEPN):

Jim Biggerstaff, NØTKN, reporting: Working well.

Local Emergency Coordinator's Report:

Not Present

District Emergency Coordinator's Report:

Joe Betros, KBØQHZ, reporting: There is a WebEOC at 9:00 a.m. on March 20. The site is being tested so we want as many as possible signing on to try to crash the site.

CW Class:

Kent Trimble, K9ZTV, reporting: There will be no class this Saturday (March 15) due to the Boy Scout Merit Badge project. Breakfast as usual and class members may meet on their own if they choose.

Training Committee:

Mike Thayer, KMØS, reporting: There will be a General class starting at 7:00 p.m. on March 24th at the Sheriff's Department meeting room. Class will continue each Monday for eight to ten weeks. Also, there is an instructors' meeting on Monday, March 17th.

Field Day:

Jerry Sill, NNØJS, reporting: Jim Biggerstaff, NØTKN, will provide a generator for the GOTA station. We need an additional generator from Dept. Of Conservation; I'll contact Tim Raymer, KAØOUV, about this. Suggestion was made that we obtain two generators from Conservation. An e-mail was sent requesting station captains and I have gotten several commitments. Richard Manning, ACØSA, will assist with the GOTA station. Mike Miller, WAØZOG, and Jerry Sill, NNØJS, will handle the sideband station. We will probably discontinue the pre-meeting on the Thursday before. We'll discuss more at the June meeting. Mike Thayer, KMØS, will check on availability of the MSHP tower trailer.

W1AW/0:

Mitch Odneal, NWØM, reporting: We will set up an operator work list in two-hour shifts

Old Business

1. Boy Scout Merit Badge Project: Kent Trimble, K9ZTV, and Bill Gerth, W4RK, coordinating; Steve Hick, WWØG, Andy Adams, WNØI, and Rich Glassner, NØEAX, will assist. The event will be this Saturday at Thomas Jefferson Middle School. Plan is to start with lecture format, then an operation portion. We'll probably use the General portion of the 20 and 40 meter bands.
2. Thanks to John Graves, KBØNXX, and Carol Abbott, KDØYBL, who continue to update the website.
3. The Board is working on a club budget – it will be presented at the May meeting.
4. Last meeting, the club voted on a policy to not give club money to other organizations. President Mike Dolson, NØZH, suggested amending this policy to exclude the church which does not charge us to use the room. After discussion, the majority of those present agreed that donations to the church were acceptable, but they should be made at random intervals rather than an annual donation.
5. Tony DeWitt, ADØDQ, reported that he is still awaiting a response from State Fair officials regarding a Ham Radio display at the Fair. He added that he sparked an interest in amateur radio with an employee of a Columbia bike shop.
6. The funding of a linked UHF repeater was approved at our February meeting. Tony DeWitt, ADØDQ, graciously donated \$200.00 toward the purchase.
7. Jim Biggerstaff, NØTKN, made a presentation on the cost of three projects: Needed work on the current repeater site, the KØETY backup site, and the UHF site at the new St. Mary's Health Center. These projects had been discussed at the Board meeting and approved for forwarding to the general membership. Total cost for the three projects is \$9,552.00. Kent Trimble, K9ZTV made the motion to approve the expenditure and was seconded by Tony DeWitt, ADØDQ. By a show of hands the motion carried unanimously.
8. At the February meeting, a collection was taken up to support sponsoring of a plaque for the Missouri QSO Party which will be the first weekend in April. Enough donations were collected for us to sponsor two plaques – the QRP plaque and the Mobile CW Low Power Plaque.

New Business:

1. It has been mentioned that we could save about \$500.00 per year if we eliminate the phone line to the repeater. The autopatch is rarely used, but the phone line is needed for remote control of the repeater. After discussion, this item was tabled until after the three projects listed in "Old Business, Item 7" have been completed.

Announcements:

1. Next month's program will be on emergency survival items. Presented by Greg & Carol Abbott.
2. Ozarkcon at Lebanon on April 4, 5, & 6.
3. The Missouri QSO Party is April 5 & 6.
4. Hamvention 2014 in Dayton is scheduled in May.
5. If you have not signed in, please do so before you leave the meeting.

Adjourn: 8:58 p.m.
