W1AW/0:

Mike Dolson, NØZH, reporting: Week of October 8th is our week starting at 1900 local. New Hampshire, Colorado, and Texas are this week.

Old Business:

1. We voted a donation last month to Central United Church of Christ and received a nice letter of response from the interim pastor. Letter was read to membership.
2. At the MS Bike Ride, there was a pile-up on Saturday, but Sunday was very quiet. Next year's ride will be headquartered in Godfrey, Illinois due to the Boone County Fairgrounds closing.
3. This Saturday, September 13th, is the Zonta 5K at Memorial Park. The event runs from 0800 to 1000; we need about six members to arrive for communications at about 0730. This is a very low key operation and is a good opportunity for new hams to learn what we do. We will work this on the KØETY repeater.
4. We would like to get the St. Mary's project completed by the end of September. However, we are still waiting for delivery of the antennas, and the UHF repeater system still needs some work to finalize settings on the new controller and linking to the VHF repeater.

New Business:

1. Reminder that the Frankenstein Special Op will again be held on October 31st.

Announcements:

1. Karl Schulte, WA2KBZ, mentioned that there is a radio available in Milwaukee, WI at no charge. Additional details may be obtained from Karl.
2. Andy Adams, WNØI, is going to the Hamfest in Peoria, IL in two weeks if anyone wants to ride along.
3. The Chicago FM Club is having a Hamfest this weekend (weekend of September 13th.)
4. The UHF repeater which is being installed at the new St. Mary's facility will be on 442.150, with a positive offset, and a CTCSS tone of 127.3

Adjourn: 2007
