Old Business:

1. Reference a possible donation for use of the training room, per Jim Biggerstaff, NØTKN, Sheriff White would prefer that any donation be designated for his training fund. He is happy to have us meet in the training room and is not soliciting donations. Donation discussion is tabled for later discussion.
2. Joe Betros, KBØQHZ, has not heard from Bike MS. However, Steve Hick, WWØG, advises that they still need more volunteers and they are providing double occupancy rooms.
3. Joe Betros, KBØQHZ: WebEOC passwords need to be changed by August 12th. J.D. Simmons, WAØBER, advises contact SEMA for information on WebEOC classes.
4. The Wednesday evening KØETY nets are now ARES nets. When you acknowledge the net, please remember in addition to name, call sign, city, and any comments, indicate whether or not you are and ARES member.

New Business:

1. Kent Trimble, K9ZTV, presented a short video on an American Red Cross program to provide smoke detectors to those who don't have them or can't afford them. Batteries are encapsulated in the detectors and are good for about ten years. The Red Cross is looking for volunteers to do the installations on September 10th and 11th. Volunteers will be part of a three-person team. Training is Wednesday evening, September 9th.
2. In the recent Flight of the Bumblebee and Skeeter Hunt events, Kent Trimble, K9ZTV, Bill Gerth, W4RK, and Mike McCrady, NØESE, had about 50 contacts. Mike Dolson, NØZH, had a few; Rich Kreiser, NØJBF, and Mike Miller, WAØZOG, made a few but had antenna problems. Bill Gerth believes participation was down for both events.

Announcements:

1. Karl Schulte, WA2KBZ, asked for advice on a firm which does filth clean up. ServPro was suggested.
