Jan 7	NØZH

Upcoming Net Controllers:

Jan 14	NMØC
Jan 21	WWØG
Jan 28	NNØJS
Feb 4	KBØQHZ
Feb 11	NØZH

2 Meter Report:

Jim Biggerstaff, NØTKN, reporting: Operational.

Missouri Emergency Packet Network (MEPN):

Jim Biggerstaff, NØTKN, reporting: Operational.

Digipeater Report:

No Report

Local Emergency Coordinator's Report:

Tony DeWitt, ACØDQ, reporting: Nothing to report.

District Emergency Coordinator's Report:

Bill Hudson, WØWFH, not present.

CW Class:

Kent Trimble, K9ZTV, and Bill Gerth, W4RK, reporting: We have been practicing with straight keys for several weeks because of Straight Key Night coming up December 31st.

A. W9ABD was activated by six operators including one student from CW class. We had over 50 contacts. Several others used their own call. QSL cards were passed out to those present who made contacts. Mike Dolson, worked several who were using old equipment.

Training Committee:

Mike Thayer, KMØS, reporting: We will have a General Class sometime this spring. More instructors will be needed.

Field Day:

Jerry Sill, NNØJS, reporting: I'd like to start preparing for this year's event. I'll line up the trailers by the first part of February. March 1st, we'll ask for major equipment. April and May, minor equipment plans. I'd like to have some of our new people actively involved. The event is scheduled for June 27th and 28th.

Old Business:

1. Kent passed out QSL cards for all who participated in any way with the WØO event.
2. With one exception, all officers were reelected for another term. The exception was Jim Biggerstaff, NØTKN, who completed his three-year term as Director and was succeeded by Kent Trimble, K9ZTV. Thanks, Jim, for your valuable help over the past three years.

New Business:

1. The Board of Directors of the Mid-MO Emergency Radio Service has dissolved that service. The Board felt it was no longer needed due to the fact that our served agencies have their own equivalent. Paperwork requirements were such that no one wanted to devote the time necessary to maintain it. It never accomplished what it was set up to do – namely give a tax incentive for donations.
2. Tony DeWitt, ADØDQ, is moving out of the area and has resigned his duties as Cole Co. ARES Coordinator. We wish Tony all the best as he relocates to Alabama.

Announcements:

1. February program: DXpedition – John Patterson, WCØW, presenting.
2. We need a program for March and following months. Anyone interested, contact Mike Dolson, NØZH.
3. Collinsville Winterfest is Saturday, January 24th. For those interested in caravanning, we will leave the Sears south parking lot at 0700 a.m.
4. Mike Dolson, NØZH, challenged the membership to do something different this year; something that you've never done or haven't done for a long time.
5. The monthly 6 meter lunch has been resumed at Oscar's. Our first get-together is scheduled for January 14th at 1100 in Oscar's banquet room.

Adjourn: 2030
