Previous Meeting Minutes:

Approved with corrections

Secretary-Treasurer's Report:

Previous Bank Balance:	\$11,048.69
Electric Bill:	\$12.39
Phone Bill:	\$45.20
Deposits:	\$00.00
Checks:	\$00.00
Current Bank Balance:	\$10,991.10

VE Liaison's Report:

Nancie McAnagh, NMØC, reporting: No new tests

2 Meter Net Report: Steve Hick, WWØG, reporting: 80 Check-ins for October. Numbers indicate the number of check-ins followed by the number who are ARES members.

Net Results:

Not Available

Upcoming Net Controllers:

Nov 18	NMØC
Nov 25	KDØGOL
Dec 2	WWØG
Dec 9	NØZH

KOETY Repeater Report:

Jim Biggerstaff, NØTKN, reporting: The upgrade at the VHF site did not go as well as expected – reception quality went down. The UHF and link are working well. We'll continue to work on the VHF problem.

Missouri Emergency Packet Network (MEPN):

Jim Biggerstaff, NØTKN, reporting: Working well.

Digipeater Report:

Mike Dolson, NØZH, reporting: Working well.

ARES Report:

J.D. Simmons, WAØBER, reporting: Nothing to report other than a couple of vacancies in other counties which is being worked on. I have been invited to Field Day meetings, but it is on the same night as our meeting.

CW Class:

Kent Trimble, K9ZTV, reporting: Because of the SET exercise, there will be no classes on Saturday, but breakfast as usual for those not participating in SET.

Training Committee:

Mike Thayer, KMØS, reporting: There will be a Technician class starting January 25th in the Sheriff's Department training room. As previously, classes will be about two hours on Monday nights. We are requesting that the students come to our December meeting to pick up their books and pay the \$25.00 cost. So far, 21 are signed up. The intent for this change is to get the students interested in the club. The December and January presentations will be geared toward new operators. The students represent several organizations in town including the Red Cross, DHSS, MHA, St. Mary's Hospital, and others.

Field Day:

Jerry Sill, NNØJS, reporting: Field Day scores were published in the last issue of QST. There were about 350 in our class and we were in the top 20% overall, and second in Missouri behind Raytown. Our score was just under 5000, about 2.5 times 2014 Field Day.

Old Business:

- 1. WØ0 Special Event, Kent Trimble, K9ZTV, reporting:** We had almost 500 QSOs, working all states & provinces and several European countries. I believe this was our best event. Kent complimented Karl Evans and Karl Schulte on their operations. Karen Pettit designed the QSL cards. They originally printed darker than we'd like, but Bill Gerth, W4RK, post-processed the graphic file, and we have ordered 125 copies for \$18.00.

New Business:

1. **Nominations for Officers:** Jack Renick, KDØAKF, is aging out as Board Director. There were no nominations from the floor. The Board made the following nominations: President – Jerry Sill, NNØJS, Vice President – Andy Adams, WNØI, Secretary/Treasurer – Mike McCrady, NØESE, Director – Bob Heald, WØXII. Nominations will be reopened at the December meeting.
2. There will be a garage sale for Gregg Abbott's items; December 12th is the tentative date. There are lots of antennas, parts, etc. This will be a cash-only sale. The sale is expected to take a couple of hours in the morning. An e-mail will follow with a list of the items. Later on, there will be a sale of test equipment based on club invitations only, and still later, a sale of other radio equipment.

Announcements:

1. The Tech Group, which meets the first Tuesday of the month, is always looking for new attendees.
2. The Ozark Mountain Hamfest is coming up January 9th in Brighton, MO (16 miles north of Springfield.)
3. J Gattermeir, WØQBX, has a hand-held, and a CW paddle for sale. {Completed at end of meeting}.

Adjourn: 2007

Compiled and Submitted by Bob Heald, WØXII
