Previous Meeting Minutes:

Approved as submitted

Secretary-Treasurer's Report:

Previous Bank Balance:	11,107.45
Electric Bill:	\$13.56
Phone Bill:	\$45.20
Deposits:	\$00.00
Checks:	\$00.00
Current Bank Balance:	\$11,048.69

VE Liaison's Report:

Nancie McAnagh, NMØC, reporting: No new tests

2 Meter Net Report: Steve Hick, WWØG, reporting: 79 Check-ins for September. Numbers indicate the number of check-ins followed by the number who are ARES members.

Net Results:

Sept 16	WWØG	14/9
Sept 23	KDØGOL	20/9
Sept 30	KBØQHZ	23/10
Oct 7	NØZH	

Upcoming Net Controllers:

Oct 14	WA2KBZ
Oct 21	NNØJS
Oct 28	WWØG
Nov 4	KBØQHZ

KOETY *Repeater Report:*

Mike Dolson, NØZH, reporting: The new antenna has been installed and the two repeaters are linked. There is an anti-kerchunking setting so you must hold the PTT button for about a second before talking. The phone service will be disconnected shortly. There is no electric bill for the repeater at St. Mary's Hospital. There is no longer a CW "P" as a courtesy tone. It has been replaced by beeps – one means the repeaters are not linked; two means they are linked. Further, low-pitched beeps indicate the person is transmitting on 147.00 and high-pitched beeps indicate 442.150. Users can link & unlink but in the near future, the system will return to linked at midnight. The phone patch is no longer functional.

Missouri Emergency Packet Network (MEPN):

Not Present

Digipeater Report:

Not Present

ARES Report:

J.D. Simmons, WAØBER, reporting. Area counties have been fairly active. The Montgomery County EC has stepped down due to health issues. The new Callaway County EC is in the process of getting approved. I went to a meeting in Mexico, MO last week with about 20 attendees. The meeting involved telling the Emergency Management Director what ham radio operators could do for his agency. Regions A & F had a joint drill at the state fairgrounds in Sedalia with several area EMT groups participating. The drill was worked through the Boonville repeater which worked very well. There were some problems with HF, however. Jerry Sill, NNØJS, added that the main focus is to rebuild the served agency liaison network.

CW Class:

Bill Gerth, W4RK, reporting: Classes are going well; we are currently concentrating on typical exchanges for the WØO event.

Training Committee:

Mike Dolson, NØZH, reporting. Several people have expressed an interest in a Technician class but no date has been set.

Field Day:

No Report

Old Business:

- 1. Bike MS:** Steve Hick, WWØG, and Joe Betros, KBØQHZ, were assisting. The Bravo net crashed twice, but no other serious events. There were no serious injuries. The event brought in about a half million dollars more than the 2014 event.
- 2. Mike Thayer, KMØS,** won the bid for the hardline which was replaced at the 2 meter site.

New Business:

- 1. The WØO event** is coming up Saturday, October 31st. We are planning to set up the antennas on Saturday, October 24th, with the next day being a rain date. We'll tear down on Sunday, November 1st.

2. Nominations for Officers will be opened at the November meeting with voting taking place at the December meeting. Anyone can offer a nomination, even for yourself. If you plan to make a nomination, be sure that person is willing to accept the responsibilities of the position, including but not limited to attending general and board meetings.
3. There is a simulated emergency exercise planned for November 14th which should take about an hour – planning is still in progress. We may coordinate with the Columbia group. If you are interested in participating, notify Mike Dolson, NØZH, or Jerry Sill, NNØJS.
4. Jim Crago, KEØFI I, reporting: His homeowners' association committee has denied his request to erect an antenna, even though there are no restrictions against this in the covenant. Both his attorney and the homeowners' association attorney agree on the lack of restrictions. Still, the association is opposed but Jim is going ahead with the installation.
5. The Scout Jamboree on the Air event is October 17th.

Announcements:

1. The Tech Group, which meets the first Tuesday of the month, is always looking for new attendees.
2. The Ozark Mountain Hamfest is coming up. Mike Dolson, NØZH, has full info.

Adjourn: 2030
