

**Minutes of the
Mid-MO Amateur Radio Club, Inc.
Jefferson City, MO**

Meeting of: August 8, 2024 at the Cole County Sheriff's Office

Presentation: There was no formal program but several recent Contest and Special Events that members participated in were discussed.

- **Spartan Sprint:** Kent-K9ZTV discussed his 11 QSO's during this 2 hour event. Bryan-W0ESE also discussed his participation and the station weight requirements used in scoring the event. It was noted that conditions were difficult that night due to Radio Blackout being present.
- **Flight of the Bumble Bees:** Kent-K9ZTV, Bryan-W0ESE, Rich-N0EAX all discussed their participation in this event. Mike-AD0YM was also mentioned as having participated in the event. Bad weather brought participation to an end during this 4 hour contest. Kent and Bill were noted to be in the top 10 scoring at the time of their entry of results. Kent encouraged others to participate in events like these as many of operators operate at slow CW speeds.
- **IARU Contest:** Tim-N0UI discussed the participation in this 24 hour event using NU1AW/0 as their callsign. Tim and Jim-N0LBY participated from Jim's place in Osage County while Mitch-NW0M participated from his QTH in Jefferson City. The three operators were part of an organized Missouri effort with 8 stations operating 8 band modes. The group was linked together with computers. The Missouri group totaled 5100 contacts and were in 20th place worldwide and 2nd in the US. Art-KD0GY also participated using the FT8 mode. This was the first time that the callsign NU1AW had been used to operate a digital mode. Thunderstorms and partial Radio Blackout conditions were evident during the event.
- **Skeeter Hunt:** The members were reminded of the upcoming Skeeter Hunt event on August 18.
- **Night of Nights:** Tim-N0UI, Bryan-W0ESE, and Kent-K9ZTV explained the operation of retired Coast Guard Station KPH and their amateur radio station K6KPH. They discussed their reception of KPH as well as their contracts with K6KPH. Night of Nights on July 12, 2024 was a celebration of the 25th Anniversary of the retirement of the Coast Guard transmission of the last commercial Morse Code message sent in the US on July 12, 1999. The amateur radio volunteer organization Maritime Radio Historical Society

(MRHS) was formed a year later operating the first annual Night of Night event on July 12, 2000. MRHS operates and maintains the original equipment and antennas. MidMo ARC members have participated in this event most years by listening for KPH or contacting K6KPH. Several MMARC club members donate to MRHS to maintain the equipment and antennas located at Point Reyes National Seashore in California. Amateur Radio Station K6KPH also operates on Saturdays.

Call to order: Tim Raymer, President – N0UI – 7:21pm

Members in attendance:

- In Person

Tim Raymer	N0UI
Richard Glassner	N0EAX
Chris St. Clair	AG4YN
Brian Tordoff	KD0GRS
Bryan Braunschweig	W0ESE
Dewayne Carver	WD0HXX
Kent Trimble	K9ZTV
Jerry Sill	NN0JS
Chris St. Clair	AG4YN
David Beck	W0WWM
Becky Widener	KF0JPC
Steve Hick	WW0G
Bill Hackworth	KF0QNL

- Zoom

Mike McCrady	N0ESE
Joe Davis	KV9I
Jim Crago	N0DVM
Jim Branson	N0LBY
Jim Biggerstaff	N0TKN
Mike Miller	WA0ZOG
Bill Gerth	W4RK

Previous Meeting Minutes:

- Meeting Minutes approved.

VE Liaison's Report: Mike Smith - AD0YM

- There were no new requests for testing. VE examiners are always needed.
- Tim explained the process for Bill-KF0QNL recently passing his Technician Class exam and applying and receiving without any test his General Class License. This was based on new FCC rules for those who have previously passed the General Class exam.

2 Meter Net Report: Steve Hick – WW0G

- Steve mentioned that there were 14 check-ins last night (8/7/24).

Upcoming Net Controllers:

- August 14- Brian, KD0GRS
- August 21-?
- August 28-?
- September 4-?

Net Control signup sheet:

<https://docs.google.com/spreadsheets/d/1BoSxc3nEQjndwubSNbKqraNvfWCQNbgD1BQaBMYGCAY/edit#gid=0>

K0ETY Repeater Report: Jim Biggerstaff – N0TKN

- Jim reported that the repeater intermittent problem was still evident. There had been 615 PTT's during the month.
- Jim also reported that the repeater license had been renewed. He thanked Dewayne - WD0HXX for identifying the need to review the license. Jim did not receive his expected license expiration reminder for the repeater from the ARRL. Kent commented on the need to make sure a good email address (preferably not an arrl.net address) is given to the ARRL for license renewal reminders.

Missouri Emergency Packet Network (MEPN): 145.070 MHz: Jim Biggerstaff – N0TKN

- Jim reported that MEPN is working fine.

CW Class: Kent Trimble – K9ZTV

- Kent reported that the CW Class is doing fine.

Training Committee: Art Langston –KD0GY

- There was no Training Committee report.

Emergency Communications: JD Simmons—WA0BER

- There was no Emergency Communications report.

Skywarn: Dewayne Carver-WD0HXX

- Dewayne reported that there were no spotter nets called in the last month. He noted that there was one severe weather event with 5 members checking in on the repeater and acknowledging their monitoring of weather conditions.

Old Business:

- There was no Old Business to report on.

New Business:

- There was no New Business to report.
