K0ETY Repeater Report: Jim Biggerstaff – N0TKN

- Tim reported that Jim indicated that the repeater was working fine after recent changes were made.

Missouri Emergency Packet Network (MEPN): 145.070 MHz: Jim Biggerstaff—N0TKN

- There was no report.

CW Class: Kent Trimble – K9ZTV

- Kent reported “Perfect” for the class. Kent also indicated that the class has been and would continue to be practicing with straight keys in anticipation of Straight Key Night (SKN). SKN will begin at 6:00 pm CT on New Year’s Eve and continue for 24 hours. A discussion of old keys, old chirpy rigs, and old operators took place indicating what would be heard on the air during SKN. All were encouraged to get on the air or at least listen in for some fun.

Training Committee: Art Langston –KD0GY

- There was no report.

Emergency Communications: JD Simmons—WA0BER

- There was no report.

Skywarn: Dewayne Carver-WD0HXX

- There was no report.

Old Business:

- There were no new nominations for the club positions on the Board, or for the Secretary/Treasurer, Vice President, and President positions. It was moved and seconded that the membership approve the list of candidates by acclamation as put forth at the November 14, 2024 meeting. That motion carried and the new 2025 MMARC Club leadership positions include:

President-- Bryan Braunschweig-- W0ESE
Vice President-- John Fisher—KD0AVA
Secretary/Treasurer—Tim Raymer—N0UI
Board of Directors—Steve Hick—WW0G

- Kent reminded everyone about the upcoming Christmas dinner. Twenty nine have signed up and members should bring cash or a check. Kent will accept reservations tonight. Brian-W0ESE thanked Kent for his efforts in this club activity.

New Business:

- Tim indicated that Presentations are needed for the upcoming 2025 year.

- Steve-WW0G indicated that he was headed to Belize for his seventh year to join former club member John Patterson in operating John's contest station during the February ARRL DX CW contest. The callsign V3T has been used in recent years and many club members contact that station during the February event giving V3T additional points.
- David- W0WWM reminded club members that the National Weather Service (NWS) has updated their 2025 training schedule. Tim showed the NWS website with a virtual Weather Spotter training class scheduled for January 30. Kent reminded club members that the training changes and club members are encouraged to frequently take the class. Local sessions (not on-line) are frequently scheduled also. David also mentioned that class members are given the NWS St. Louis phone number to call to report appropriate weather changes during a weather event.
- Tim thanked everyone for the support during his two years as the President and for their support of club activities such as Field Day and Frankenstein operations. Tim received a nice round of applause for his efforts. Thanks Tim!
