Jefferson City, MO 65109-0500

\$12.50 Student

\$25.00 Regular Membership

\$37.50 Family Membership

Dues due in June

**VE Liaison's Report:** Mike Smith - ADØYM

- **(Written/Submitted)** A test session (Extra) was scheduled after our September meeting. Craig Rantz, KFØRQI successfully upgraded to an Extra class license.
- ARRL VEC is transitioning to full Digital by 2025. My first foray into their testing portal was NOT successful. I will continue to try. The same portal provides for electronic test sessions. Those sessions will require connectivity and hardware. On-site tests can still use paper tests, but they will eventually have to be derived from that portal

once the new test question pool for that level goes into effect. Postage for test fees will be on us, but that is a minor consideration given the above.

- After this month's meeting another test session (Technician and General) has been scheduled. I will need a couple of volunteer examiners to stay after the meeting to assist with the test session.
- The current federal government shutdown will impact final processing of new and upgrade licensing but ARRL wants testing to continue during the interim. Once government services resume, everything will be processed in the order received by them.
- **(Verbal)** Read written report.
- A test session is scheduled for after the meeting. We will need VEs for the test session.
- Discussion about electronic testing and Portal use.
- Will need to transition by next July (July 2026) to using the portal and/or printing tests from the portal for the exams, scanning the paperwork from the exams **into** the portal, then submitting **payment** from the test session via USPS.

(Volunteer Examiners are needed for and Extra Exam this evening.)

#### **Community Organiza~~tion~~ Active in Disaster (COAD) Report:** Steve Hick – WWØG

- No Meeting. Meetings in October (Communications Group -- 29 Oct 2025 and 7 Nov 2025 for main meeting.

#### **2 Meter Net Report:** Steve Hick – WWØG

- Discussion regarding script updates since the Linn Repeater has been brought into the system.

#### **Upcoming Net Controllers**

- 10/15/2025 – WWØG
- 10/22/2024 – KDØGY
- 10/29/2025 – WWØG
- 11/05/2025 – KDØGRS
- 11/12/2025 – KDØGY\

There were no volunteers to be Net Controllers for these dates.(\*)

#### **Online Net Control Signup Sheet**

<https://docs.google.com/spreadsheets/d/1BoSxc3nEQjndwubSNbKqraNvfWCQNbgD1BQaBMYGcAY/edit?gid=0#gid=0>

(Link is also available on the Wiki Page.)

#### **KØETY Repeater System Report:** Jim Biggerstaff – NØTKN

- Working quite well.
- PTT Count is up as we are also counting Linn Repeater operations. Combined count 1,715PTTs. (Each time a controller is restarted, counters are reset.)

#### **Missouri Emergency Packet Network (MEPN): 145.070 MHz:** Jim Biggerstaff – NØTKN

- MEPN is back working. Power issue at site. Water leak at site destroyed outlet MEPN was connected to, and tripped breaker.

**Skywarn:** Dewayne Carver-WD0HXX

- Two events. 15 Sept 2025 and 18 Sept 2025. Both were Severe T-Storm Warnings.

**Emergency Communications/ARES:** JD Simmons – WA0BER

- WA0BER not in attendance. Upcoming ARES Exercise on 8 Oct 2025

**CW Class:** Kent Trimble – K9ZTV

- Class continues. Discussion about other technical items, and discussion about Letha Dangerfield.

**Training Committee:** Art Langston –KD0GY

- Nothing new to report. Following up on a contact from recent time.

**Old Business:**

- Replacement Laptops. Laptops acquired and configured. Ready to go for Frankenstein.
- Frankenstein Discussion.
  - Discussed at September meeting.
  - Food discussed. Becky and Ann are making something.
  - Apprecation expressed to Gary for the use of his house.
  - Shoes off.
  - Antennas will be set up a day or two in advance. With help of Mitch, NW0M and others.
  - Directions will be sent out on the Groups.io forum.
  - Only operating on Halloween Day and Evening.
  - Need operators.
  - Karen doing QSL again. No new deceased hams.
- Linn Repeater. No more information. Already discussed.
- Storage location for Club Property.
  - Still need meeting of Board to discuss what club items to sell.
  - Need location to store club equipment.
- Christmas Party
  - Argyle Catering at Fairfield Inn.
  - \$22 + Tip.
  - Available night is same as club meeting.
  - Menu not yet known.
  - 2 meats, vegetable, Salad dessert, and Drinks.
  - Voting for club officers will be done electronically.
  - **Voting by e-mail** allows everybody to make best choice. (WA0ZOG)
  - Do not want to disenfranchise any members.
  - E-mail balloting has been done before. We were successful previously.
  - Do not want to occupy much time at the dinner for the business meeting.
  - Caterer is a good choice.
  - Room cost is generously being covered by Ann Harvey.
  - Maximum seating is 35 or more.
  - One concern is process of counting the ballots. Who has to count them? They will know who voted in what manner.
  - Does Argyle catering have a minimum? (Answer: They are quite flexible.)

- Arrangements are done and in the bag. Nothing else needs to be done if we want to proceed.
- Moved to vote for Dinner on December meeting night with Argyle Catering at the Fairfield Inn, and vote for Officers via e-mail. Approved.
- Details of vote will be discussed at November meeting.
- Officer Nominations are at November Meeting.
  - Board Member and Club Officers are up for nomination.

### **New Business:**

- Cole County Emergency Communications Exercise.
  - JD and Rich are not here. Information is being distributed via e-mail.
- Osage County Emergency Communications Plan
  - Brief review of history and current situation in Osage County
  - Previous station had been assembled, then was torn apart.
  - Discussed with resurrecting the plan.
  - Plan includes using FRS, GMRS, and other radio systems to ensure communications are available from the widest group of people in the county.
  - Idea is to have different layers in the overlay model that can get the information to where it needs to get.
  - Sheriff wanted to be able to send resources to correct place in an emergency.
  - People with the right radios can get the information all the way to MOSWIN.
  - Amateur Radio is still a key part of the plan. We are responsible to teach and demonstrate how to communicate to the other downline layers.
  - Important to ensure ARRL continues to push in the right direction, and welcome all.
  - Additional discussion about licensing in the different disciplines, and other challenges still to address.
  -

### **Discussion:**

- Oct 10-11: ARRL Midwest Convention in Sedalia at Missouri State Fairgrounds.
  - <https://spark-con.org/>
  - Tables available for \$10 for Club promotion.
  - Discussion about Club funding a table for selling at Sedalia.
  - Discussion about presentations and features of hamfest.
- Winlink
  - Contacted by Don Rogers, KD0PYG. Trying to come up with a Winlink/Missouri EMCOM Network. Goal is to develop and identify trained Winlink operators, and what region they are in, prior to a crisis. Modeling it after St. Louis ARES Winlink Net.
  - MEPN is a central Node that allows us to connect to Winlink in Columbia.
  - Check-in process to nets are easy once Winlink is set-up.
- Next Meeting at Cole County Sheriff's Office Meeting Room on 09 Oct. 2025.

### **Announcements:**

1. **Mid-MO ARC Net** – Weekly – (Wednesdays 8:00pm LOCAL time)
